4 Day Disneyland®
Resort Paris
Price shown based upon a minimum of 40 paying members
travelling low season staying at Kyriad Hotel

A school trip to the world-class Resort will help you bring alive subject teaching in a safe, secure and already risk-assessed environment.

School groups are welcomed in both Disney® Parks, Hotels and the Disney® Village. A number of useful workbooks for Years 7-9 Key Stage 3 complete with sample worksheets, project ideas and teaching guidance are available. They provide pre-visit work, in-resort studies and post-visit assessment.

www.disneylandparis4schools.com provides teachers with everything they need to organise a trip to the Resort, including workbooks for the following themes.

Art and Design.

With specially written workbooks and teaching notes you can inspire your students to explore a wide range of creative starting points for art and design projects.

Design and Technology.

From control systems to materials, Disneyland® Resort Paris offers a fantastic range of learning opportunities for D&T students. They can work on their own projects or evaluate the fitness for purpose of the attractions designed by world-class design and technical teams.

ICT.

Disneyland® Resort Paris is an excellent example of ICT in practice. Design, technical and maintenance teams continually have to solve problems creatively with the help of robust secure ICT systems.

Modern Foreign Languages.

Fun With Languages introduces Key Stage 3 students (12-14 yrs) to several different languages with the help of Disneyland® Resort Paris Cast Members (Disney Employees) of different nationalities.

Music.

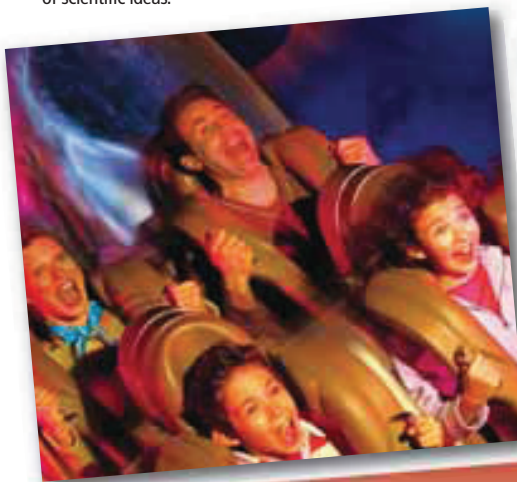

Disneyland® Resort Paris is a safe secure environment for studying Key Stage 3 Music. For example: Exploring ways music can be combined with other art forms and other subject disciplines.

Physical Education.

Disneyland® Resort Paris is a safe secure environment for studying aspects of the Key Stage 3 Physical Education curriculum. The superb shows and parades offer students a unique opportunity to analyse performance whilst identifying strengths and weaknesses.

Science.

What better place to see science in action than on a roller-coaster ride, watching fireworks or investigating the environmental protection arrangements of a world-class leisure resort? Disneyland® Resort Paris is a safe secure environment for studying Key Stage 3 Science, especially the creative application of scientific ideas.

Included in this tour

- Half board from dinner on Day 1 to breakfast on Day 4
- Coach travel
- Short Sea Channel crossing
- Two day entrance tickets to Disneyland® Resort Paris
- Comprehensive Insurance
- Guide books and information pack for group leader

4 Day Disneyland Resort® Paris

Day 1

Travel from school to the Channel coast for a crossing to Calais, and on to your accommodation near Disneyland® Resort Paris.

Day 2 & 3

Two full days with visits to the many attractions in Disneyland® Park and Walt Disney Studios® Park.

Day 4

We depart your accommodation centre after breakfast with possible time for a brief visit*, before your return to Calais, and your journey back to school.

*The time available for visits en route is dependant upon the school's distance from the Channel port.
